“Mainstreaming Youth in the Post-2015 Agenda”

5<sup>th</sup> April 2014

WORLD CONFERENCE  
ON YOUTH 2014

## **Selection: International Facilitators, International Youth Delegates, Invited Guests and International Media Fellows**

We received over 4000 applications from every region in the world, and with a focus on reaching out to marginalised youth, youth involved in international youth organisations and special interest young people we selected 350 people to be fully funded. The competition was incredibly high, if anyone was not selected for these funded places we are opening the conference for anyone to self-fund and register at [www.wcy2014.com](http://www.wcy2014.com)

These fully funded places (round-trip ticket, hotel and food costs) are additional to the fully funded places for 2 young people per country (who are selected by each state and will be announced just before the conference), heads of state and over 30 ministries who have already confirmed their attendance.

Sri Lanka offered to host the World Conference on Youth in 2010 and has since received the UN Secretary General's and General Assembly's acknowledgement of the conference as a key milestone in the discussions around youth and the post-2015 (the new global development agenda).

The Conference is unique in that it will bring together governments and young people to jointly feed into the future development agenda. The conference is themed "**Mainstreaming Youth in the Post 2015 Development Agenda.**" The outcome document of the conference will be called the "Colombo Declaration on Youth" and the zero draft can now be downloaded from [www.wcy2014.com](http://www.wcy2014.com).

In the annex to this document you can see the list of names who have been selected in the respective categories. If you believe that you have been selected but have not yet received an email then you must immediately email [int@wcy2014.com](mailto:int@wcy2014.com) with your name and email address.

Yours faithfully,

Milinda Rajapaksha  
Working Director of Sri Lanka Youth

Lloyd Russell-Moyle  
Vice-President of the European Youth Forum

Co-Chairs of the international Youth Task Force
